AND RESTRICTIONS FOR ARROWHEAD ESTATES**

THIS DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS FOR ARROWHEAD ESTATES is made this 17th day of November, 1996 by ARROWHEAD ASSOCIATES, LTD., a Florida limited partnership, whose address is 600 South Orlando Avenue, Suite 202, Maitland, Florida 32751.

RECITALS:

A. Declarant owns certain property located in Lake County, Florida and described on Exhibit "A" attached hereto, which includes the property where the Surface Water and Stormwater Management System will be located (hereinafter the "Property").

B. Declarant intends to develop the Property as a residential community comprised of 157 building lots, streets, street lights and a Surface Water Management System for the benefit of the residents of the Community.

C. Declarant desires to preserve and enhance the values and quality of life in the Community, the health, safety and welfare of the residents thereof, and to provide for the maintenance of certain areas and improvements which benefit the Community, and, to these ends, desires to subject the Property to this Declaration.

D. Declarant has incorporated a non-profit corporation to which may be conveyed title to Common Property, and to which may be delegated the powers and duties to maintain and administer Common Property and Areas of Common Responsibility and the improvements from time to time located thereon, to administer and enforce this Declaration, and to collect and disburse the monies derived from common assessments hereafter levied.

DECLARATIONS:

NOW, THEREFORE, Declarant declares that the Community is and shall be improved, held, transferred and occupied subject to this Declaration.

ARTICLE I

DEFINITIONS

Section 1. When used in this Declaration, the following words shall have the following meanings:

(a) "Additional Property" shall mean and refer to those lands (excluding the Property), together with any improvements thereon, which are made subject to this Declaration by annexation pursuant to Article II.

(b) "Area of Common Responsibility" shall mean and refer to lands and improvements located in or near the Community, not intended to be owned by the Association, but which are intended to be operated, maintained, insured or improved by the Association. Areas of Common Responsibility may be designated by this Declaration, any Supplemental Declaration, any contract entered into by the Association, or by a decision of the Board. Declarant hereby designates the following Areas of Common Responsibility: (i) maintenance and repair of the drainage improvements, signs, lighting fixtures, electrical equipment, irrigation lines and equipment, and landscape materials and features from time to time located within the unpaved portions of the right-of-way of State Road 455 along the frontage of the Community, (ii) provision of and payment for street lighting in the Community (including fixture rental and electrical usage) unless and until a municipal service taxing unit or equivalent regime assumes responsibility to collect for and pay, or otherwise provide for, street lighting, and (iii) maintenance (excluding routine mowing and removal of trash and debris which shall be the responsibility of the respective Lot Owners within their Lots) and repair of drainage ditches, berms, swales and other drainage improvements comprising part of the Surface Water Management System for the Community and located within Common Property, platted easements, lakes, lakeshores and the unpaved portions of the dedicated rights-of-way in or adjacent to the Community.

(c) "Articles" shall mean and refer to the Articles of Incorporation of the Association.

(d) "Association" shall mean and refer to Arrowhead Estates Homeowners Association, Inc., a Florida corporation not for profit, and its successors and assigns.

(e) "Board" or "Board of Directors" shall mean and refer to the Board of Directors of the Association.

(f) "Bylaws" shall mean and refer to the Bylaws of the Association.

(g) "Common Expense" shall mean and refer to the actual and estimated expense of operating the Association and meeting the costs to be incurred by the Association in performing its duties and in exercising its prerogatives, including without limitation the costs incurred for operation, maintenance, insurance and improvement of Common Property and Areas of Common Responsibility, and any reserves from time to time established by the Board.

(h) "Common Property" shall mean and refer to all real and personal property from time to time intended to be owned, operated and maintained by the Association and devoted to the use and enjoyment of all Members of the Association, all at Common Expense. Tracts "A", "B", "C", and "D" depicted on the plat of Arrowhead Phase 1 are hereby designated Common Property. As Common Property, Tracts "A", "B", "C", and "D", and all drainage areas and improvements located thereon from time to time shall be owned, operated and maintained by the Association, including without limitation, periodic mowing and trash removal.

(i) "Community" shall mean and refer to the Property together with any Additional Property hereafter annexed from time to time by Declarant pursuant to Article II, but only if, when, and to the extent any such Additional Property is so annexed.

(j) "Declarant" shall mean and refer to Arrowhead Associates, Ltd., a Florida limited partnership, and its successors and assigns. (p) "Owner" shall mean and refer to the record holder, whether one or more persons or entities, of fee simple title to each Lot in the Community, but, notwithstanding any applicable theory of the law of mortgages, Owner shall not mean or refer to any mortgagee unless and until such mortgagee has acquired title to a Lot pursuant to foreclosure proceeding or a conveyance in lieu of foreclosure. All owners of a single Lot shall be treated for all purposes as a single Owner, irrespective of whether such ownership is joint, in common or tenancy by the entirety.

(q) "Supplemental Declaration" shall mean and refer to any instrument which extends the scheme of this Declaration to Additional Property pursuant to Article II.

(r) "Surface Water or Stormwater Management System" shall mean and refer to the water system which is designed and constructed or implemented to control discharges which are necessitated by rainfall events, incorporating methods to collect, convey, store, absorb, inhibit, treat, use or reuse water to prevent or reduce flooding, over-drainage, environmental degradation, and water pollution or otherwise affect the quantity and quality of discharges, as approved and permitted by the District.

ARTICLE II

PROPERTY SUBJECT TO THIS DECLARATION

Section 1. Property Subject to This Declaration. The Property is and shall be improved, held, transferred and occupied subject to this Declaration.

Section 2. Additional Property. Declarant shall have the right but not the obligation to bring within the scheme of this Declaration, as Additional Property, additional land lying in the vicinity of the Property at any time within twenty (20) years from the date this Declaration is recorded, which annexation may be accomplished without the consent of the Association, the Owners, any mortgagee or other lien holder.

Section 3. Method of Annexation. Additions authorized under this Article II shall be made by recording a Supplemental Declaration extending the scheme of this Declaration to the Additional Property. The Supplemental Declaration shall describe the real property to be annexed and shall state that it is being made pursuant to the terms of this Declaration for the purpose of annexing property to this Declaration and extending the jurisdiction of the Association to the Additional Property. The Supplemental Declaration may contain such terms and provisions not inconsistent with this Declaration as may be desirable to reflect the different character, if any, of the real property being annexed or the various housing or community style characteristics and development approaches being implemented. Upon the recordation of any Supplemental Declaration, the Owners shall also have a right and non-exclusive easement of use and enjoyment in and to the Common Property, if any, within the Additional Property and an obligation to contribute to the cost of operating, maintaining and insuring the additional Common Property and any additional Areas of Common Responsibility. Any Supplemental Declaration recorded in accordance with the terms hereof shall be conclusive in favor of all persons who rely thereon in good faith. From and after recordation of any Supplemental Declaration, the Additional Property described therein shall be subject to the provisions of this Declaration and to the jurisdiction of the Association.

ARTICLE III

THE ASSOCIATION

Section 1. The Association. The Association is a nonprofit corporation charged with the duties and vested with the powers prescribed by law or set forth in the Articles, the Bylaws and this Declaration. Neither the Articles nor the Bylaws shall be amended or interpreted so as to be inconsistent with this Declaration. In the event of any such inconsistency, the provisions of this Declaration shall prevail. Officers and directors of the Association need not be Members of the Association. The Board, and such officers as the Board may appoint, shall conduct the affairs of the Association.

Section 2. Membership. Each Owner (including Declarant) shall be a Member of the Association. The Association membership of each Owner shall be appurtenant to and inseparable from the Lot giving rise to such membership, and any transfer of title to a Lot shall operate automatically to transfer to the new Owner the membership in the Association appurtenant to that Lot.

Section 3. Voting Rights. The Association shall have three (3) classes of voting membership:

(a) **Class A.** The Class A Members shall be all Owners of Lots that have been conveyed to such Owners by a builder or developer of residential property. When more than one person holds an interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they determine, but in no event shall more than one vote be cast with respect to any Lot.

(b) **Class B.** The Class B Members shall be all Owners of Lots, with the exception of the Declarant, and shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they determine, but in no event shall more than one vote be cast with respect to any Lot.

(c) **Class C.** The Class C Member shall be the Declarant, or its specifically designated (in writing) successor, and shall be entitled to three (3) votes for each Lot owned. The Class C membership shall cease and be converted to Class B membership on the happening of the earlier of the following events:

- (i) January 1, 2004.
- (ii) Upon voluntary conversion to Class A membership by the Declarant.
- (iii) When seventy-five percent (75%) of the maximum number of Lots allowed for the Property have been conveyed to Owners and have certificates of occupancy thereon.
- (iv) Three months after ninety percent (90%) of the maximum number of Lots allowed for the Property have been conveyed to Owners.

After conversion of its membership to Class B, the Declarant shall have voting rights consistent with the rights of Class B Members, provided however, for so long as the Declarant holds for sale in the ordinary course at least 5% of the Lots in the Property, Declarant shall be entitled to elect at least one (1) member of the Board.

Section 4. Multiple Owners. Each vote in the Association must be cast as a single vote, and fractional votes shall not be allowed. If joint or multiple Owners are unable to agree among themselves as to how their vote is to be cast, or if more than one (1) vote is cast for any Lot, the vote for that Lot shall not be counted. If any Owner casts a vote on behalf of a Lot, it shall not be conclusively presumed that that Owner was acting with the authority and consent of all other Owners of that Lot.

Section 5. Duties, Powers and Authority of the Association. The Association shall have all the powers of a non-profit corporation organized under the laws of Florida, subject only to such limitations as are set forth in the Articles, the Bylaws, or this Declaration. The Association shall have the power to do all lawful things which may be authorized, assigned, required or permitted to be done by this Declaration, the Articles, or the Bylaws, and to do and perform any and all acts which may be necessary or proper for, or incidental to, the exercise of any of the duties or powers of the Association for the benefit of the Owners and for the maintenance, administration and improvement of the Community.

ARTICLE IV

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Easements. The Association and each Owner (including Declarant) shall have a non-exclusive right, privilege and easement of use and enjoyment in and to the Common Property and such rights shall be appurtenant to and shall pass with the title to every Lot. Said rights shall include, but not be limited to, the following:

(a) Right-of-way for ingress and egress by vehicles and on foot through and across any streets, roads or walks in the Common Property for all lawful purposes; and

(b) Rights and easements to drain across the surface water drainage detention, retention and conveyance structures and areas, and to connect with, maintain and make use of utilities lines and facilities, to the extent such structures, areas, lines or facilities may exist in or along the platted streets, easements or the Common Property; and

(c) Rights to use and enjoy the Common Property for any purpose not inconsistent with this Declaration, the Articles, the Bylaws, the rules and regulations of the Association, or applicable governmental regulations.

Section 2. Title to Common Property. Except for dedications to the District or Lake County, as may be necessary to comply with District requirements or Lake County regulations, and other grants under Section 3(b) below, Declarant shall convey to the Association fee simple title in and to the Common Property free and clear of all encumbrances. The Common Property may not be mortgaged or further conveyed without the consent of at least a majority of the Owners.

Section 3. Extent of Easements. The rights and easements created in this Article IV shall be governed by the following:

(a) Subject to any conflicting rights of Declarant and the Owners set forth in this Declaration, the Association shall be responsible for the exclusive management, control and maintenance of the Common Property.

(b) Declarant, until conveyance of title to the Association, and the Association thereafter, may reserve to itself or to grant or dedicate to Declarant, any Owner, any governmental agencies and/or to any utility companies, easements and rights-of-way, in, through,

under, over and across the Common Property for the installation, use, maintenance and inspection of lines and appurtenances for public or private utilities, storm water drainage improvements and areas, and for completion of the development. No improvement or material may be placed upon any such an easement as may damage or interfere with the installation or maintenance of utilities or that may alter or impede the direction or flow of drainage or the maintenance of the easement area.

- (c) Declarant's rights reserved in this Declaration.
- (d) Matters shown on any plat of the Community.

Section 4. Easements Reserved to Declarant Over Common Property. Declarant, for itself and for and on behalf of the Association, hereby reserves such licenses, rights, privileges and easements in, through, over, upon and under all Common Property, including but not limited to, (1) the right to use Common Property for rights-of-way and easements to erect, install, maintain, inspect and use electric, lighting and telephone poles, fixtures, wires, cables, conduits, sewers, water mains, pipes and equipment, telephone and telecommunications lines and equipment, and electrical equipment, gas, cable television, drainage facilities, ponds, ditches or lines, or other utilities or services and for any other materials, equipment and services necessary or convenient for the completion, marketing, and use and enjoyment of the Community, (2) the right to cut any trees, bushes or shrubbery, make any gradings of the soil, or take any other similar action reasonably necessary to provide economical and safe utility installation and to maintain reasonable standards of health, convenience, safety and appearance, (3) the right to locate thereon wells, pumping stations and irrigation systems and lines, (4) the right and easement of ingress and egress for purposes of development, construction and marketing, and (5) such other rights as may be reasonably necessary to complete in an orderly and economic manner the development of all present and future phases of the Community; provided, however, that said reservation and right shall not be considered an obligation of Declarant to provide or maintain any such easement, utility, equipment or service. Declarant also reserves the right to connect with and make use of the utility lines and drainage improvements which may from time to time be in or along the streets and roads, or within the Common Property or easement areas. The easements and rights-of-way herein reserved shall continue in existence in favor of Declarant after conveyance of Common Property to the Association until such time as Declarant has sold all Lots in the Community.

Section 5. Delegation of Rights. Any Owner (including Declarant) may grant the benefit of any easement, license, right or privilege to tenants and guests for the duration of their tenancies or visits, but the same are not intended nor shall they be construed as creating any rights in or for the benefit of the general public.

ARTICLE V

INSURANCE AND CASUALTY LOSSES

The Board may obtain fidelity bond coverage in its discretion. In addition, the Board may obtain insurance for insurable improvements on the Common Property or Areas of Common Responsibility, public liability policies covering the Association and Members for damage or injury caused by the negligence of the Association or any of its Members, guests or agents, directors' and officers' liability insurance, and any other types of insurance coverages as the Board may

deem appropriate, with such insureds, deductibles provisions and coverage types and amounts as shall be determined by the Board. Premiums for insurance so obtained shall be Common Expense. The Association may elect to self-insure against any risk.

ARTICLE VI

COVENANT FOR ASSESSMENTS

Section 1. Creation of Lien and Personal Obligation; Effect of Nonpayment.

(a) Covenant. Declarant for each Lot owned by it in the Community, and each Owner other than Declarant by acceptance of title to any Lot, whether or not it shall be so expressed in any deed or other conveyance, shall be deemed to and hereby does covenant and agree to pay to the Association: (1) an initial assessment (2) annual assessments or charges, (3) special assessments, and (4) individual assessments. Said assessments shall be fixed, established and assessed to the Owners as hereinafter provided. The assessments, together with interest thereon, late charges and costs of collection, including without limitation court costs and reasonable attorneys' and paralegals' fees (including such fees and costs before trial, at trial and on appeal), shall be a charge and a continuing lien upon the Lot against which such assessment is made, together with any Dwelling located on said Lot, from and after the date on which such assessment is due. Each such assessment, together with the aforementioned interest, late charges, costs and fees, shall also be the personal obligation of the person who was the Owner of the Lot at the time the assessment fell due.

Delinquent assessments shall bear interest at the highest lawful rate in Florida, or at such lesser rate as may be determined by the Board and uniformly applied, and such late charges as shall be imposed by the Board at its discretion, and the cost of collection thereof, shall be secured by a continuing lien on the Lot as to which the assessment accrued, and upon the Dwelling located on that Lot. Such lien shall be prior to all other liens hereinafter created except taxes or assessments levied by governmental authority, and except as to the lien of any mortgage. The lien shall be prior to and superior in dignity to homestead status. Such lien shall bind such Lot and any Dwelling located thereon in the hands of the then Owner and each subsequent Owner. The personal obligation of the Owner to pay such assessment, however, shall remain that Owner's personal obligation for the statutory period and personal liability shall not pass to the successors in title unless expressly assumed by them.

If the delinquent assessment or installment thereon, together with interest and late charges is not paid within thirty (30) days after the due date, the Association may bring an action for collection against the Owner personally obligated to pay the same and/or to foreclose the lien against the Lot and any Dwelling located thereon by judicial foreclosure in the same manner as foreclosure of a mortgage, and there shall be added to the amount of such assessment the aforesaid interest, late charges, costs of collection and attorneys' and paralegals' fees, as aforesaid, and the said costs of collection shall be recoverable whether or not suit be brought. The Owner shall also be required to pay the Association any assessments against the Lot which become due during the period of foreclosure. The Association shall have the right and power to bid at the foreclosure sale and to own sell, lease, encumber, use and otherwise deal with the Lot and any Dwelling located thereon as owner thereof.

(b) Exempt Property. The following property shall be exempt from the assessments, charges and liens created herein:

1. Common Property;
2. Lands owned by Declarant which have not been annexed to the Community by this Declaration or a Supplemental Declaration;
3. Lands which have been dedicated to Lake County or other governmental authority, any utility company or the public; and
4. Lots owned by Declarant so long as Declarant pays the Common Expense actually incurred over and above the income derived from annual, special and individual assessments collectible from Class A Members pursuant to Section 8, below.

No other land or improvements in the Community shall be exempt from these assessments, charges or liens. No Owner may avoid assessment obligations by virtue of non-use or abandonment of the Common Property.

Section 2. Purpose of Assessments. The assessments levied by the Association may be used for the purpose of promoting the recreation, health, safety, and welfare of the Community and the Owners, for the performance by the Association of its duties and for the exercise of the powers conferred upon it, for the improvement and maintenance of the Common Property and Areas of Common Responsibility, and for any other purpose deemed desirable or appropriate by the Board, including without limitation any one or more of the following:

- (a) Payment of Association operating expenses;
- (b) Lighting, irrigation, maintenance, improvement and beautification of streets and easement areas, and acquisition, maintenance, repair and replacement of community identification signs and traffic control devices, and control and regulation of traffic in the community;
- (c) To pay, contest or compromise real and personal property taxes and assessments separately levied upon or assessed against the Association or the Common Property;
- (d) Management, maintenance, repair, replacement, improvement and beautification of the Common Property, Areas of Common Responsibility, and Surface Water or Stormwater Management System, including without limitation, work within the retention areas, drainage structures and drainage casements;
- (e) Repayment of deficits previously incurred by the Association, if any, in maintaining or making capital improvements to the Common Property or Areas of Common Responsibility, or in furnishing services to the Members of the Association;
- (f) Funding of appropriate reserves for future Common Expense;
- (g) Procurement and maintenance of insurance, and employment of accountants, attorneys and other professionals to represent or advise the Association; and

(h) Doing anything necessary or desirable in the judgment of the Board to keep the Community, Common Property and Areas of Common Responsibility neat and attractive, to preserve or enhance the value thereof, to eliminate fire, health or safety hazards, or otherwise to benefit the Owners.

The Declarant shall endeavor to cause all Assessments, with the exception of the Initial Assessment, to be included within each Lot Owner's Ad Valorem Real Property Tax bill issued by the Lake County Tax Collector, or as otherwise required by Florida law for the collection of non-ad valorem assessments by a municipal service taxing or benefit unit, as defined in Chapter 125, Florida Statutes.

Section 3. Determination of Annual Assessments.

(a) Operating Budget. At least thirty (30) days prior to the end of the Association's fiscal year, the Board shall prepare a budget of the estimated costs of operating the Association during the coming year, including but not limited to operational items such as overhead and indirect costs, insurance, utilities, taxes, professional fees, repairs, reserves, maintenance and other operating expenses, as well as charges to cover any deficits from prior years, and capital improvement budget items approved by the Board under Subsection (b), below.

(b) Capital Budget. Each year, the Board shall prepare a capital budget taking into account the number, type, life expectancy and expected replacement cost of replaceable assets. The Board shall then set the required annual capital contribution in an amount sufficient to meet the projected capital needs of the Association on a timely basis. The annual capital contribution fixed by the Board shall then be included in the annual operating budget and annual assessments described in Subsection (a), above.

(c) Adoption of Operating Budget. The Board shall mail to each Member a copy of the capital budget, operating budget and projected annual assessments to be levied for the next fiscal year at least thirty (30) days prior to the end of the Association's current fiscal year. The operating budget and annual assessments shall become effective unless and until disapproved at a special meeting of the Members held not later than sixty (60) days after the proposed budget and assessments are mailed to the Members. To be effective, the disapproval must be by a vote of two-thirds (2/3) of the membership of the Association. In the event that the membership so disapproves the operating budget for the succeeding year, or in the event the Board shall fail to propose a budget, then and until such time as a new budget shall have been determined, the budget and annual assessments for the preceding year shall continue in effect.

(d) Allocation of Annual Assessments Among Lots. The operating budget of the Association shall be assessed equally against all Owners and Lots in the Community such that each Owner's proportional share of expenses shall equal a fraction the numerator of which is the number of Lots owned by the Owner and the denominator of which shall equal the total number of Lots included within the Property.

(e) Annual assessments shall not increase by more than 5% per year for so long as Declarant remains a Class C member.

Section 4. Other Assessments.

(a) Special Assessments. In addition to the annual assessments levied pursuant to Section 3, the Board may levy at any time a special assessment for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, or repair or replacement of the Common Property or any Area of Common Responsibility, for the purpose of covering any budget deficits of the Association, or for any other purpose deemed desirable or appropriate by the Board; provided, however, that any such special assessment shall have the approval of a majority of the votes of the Members of each class who are in attendance and voting in person or by proxy at a meeting duly called for said purpose.

(b) Individual Assessment. The Board may levy an individual assessment against any Owner and that Owner's Lot and any Dwelling located thereon in order to cover costs incurred by the Association due to that Owner's failure to maintain its Lot or the Dwelling located thereon pursuant to the standards set forth in this Declaration, or to reimburse the Association for loss or damage to any Common Property or Area of Common Responsibility caused by that Owner or his lessee, agent, contractor, guest or occupant, and not covered by insurance, or for any other purpose permitted by this Declaration.

Section 5. Commencement of Annual Assessments; Initial Annual Assessment; Due Dates.

(a) The Initial Assessment shall equal One Hundred Twenty Dollars (\$120.00) per Lot and shall be paid at the time of closing on the purchase of the Lot. The Declarant or the Association may use any part or all of the Initial Assessment for the purposes set forth in Article VI.

(b) Annual assessments on the Lots in the Property shall commence upon the closing of the sale by Declarant of the first Lot to the first purchaser from Declarant. The annual assessment for each Additional Property shall commence upon the closing of the sale by Declarant of the first Lot to the first purchaser from Declarant in that Additional Property. The annual assessment for the Property for the first calendar year in which this Declaration is recorded shall be not greater than One Hundred Twenty Dollars (\$120.00) per Lot. As to the Lots in each Additional Property, the initial annual assessment shall be set forth in the relevant Supplemental Declaration. At the closing of the sale of each Lot in the Community by Declarant to the first purchaser from Declarant, the purchaser shall pay to the Association the entire annual assessment for the calendar year of closing, prorated on a per diem basis from date of closing through the end of that calendar year. Thereafter, annual assessments shall be due, in advance, on or before the commencement of the Association fiscal year for which imposed; but the Board may elect to collect annual assessments in monthly, quarterly or semi-annual installments. In the event of such deferred payments, the Board may but shall not be required to charge a uniform, lawful rate of interest on the unpaid balance. The Board may accelerate the balance of any annual assessment upon default in the payment of any installment thereon.

Section 6. Certificate of Payment. Upon request, the Association shall furnish to any Owner liable for assessment a certificate setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence in favor of third parties relying thereon of the payment of any assessment therein stated to have been paid.

Section 7. Subordination of the Lien to Mortgages. The lien of assessments provided for herein shall be subordinate to the lien of any mortgage. Any mortgagee which obtains title to a Lot by foreclosure of a mortgage, or by voluntary conveyance in lieu of such foreclosure, shall not be liable for the assessments pertaining to such Lot or chargeable to the former Owner thereof which became due prior to the acquisition of title by said mortgagee. Such uncollected assessments, interest, late charges and collection costs incurred shall be deemed a Common Expense collectible from all Owners, including the acquiring mortgagee, on a pro-rata basis. Any such transfer to or by a mortgagee shall not relieve the transferee of personal responsibility nor the Lot from the lien for assessments thereafter falling due. No sale or transfer shall release such Lot from liability for any assessment thereafter becoming due.

Section 8. Funding by Declarant. Notwithstanding anything contained herein to the contrary, Declarant shall not be obligated to pay any annual or special assessment as to any Lot owned by it during any period of time during which Declarant pays the Common Expense actually incurred over and above the income derived from annual, special and individual assessments collectible from Class "A" Members and other income of the Association. For purposes of this subsidy arrangement, Declarant need not subsidize or pay replacement reserves or capital expenditures. Declarant, at its option, may elect by written notice given to the Association at any time to abandon the subsidy approach and commence payment of annual and special assessments for the Lots then owned by Declarant, prorated from the date of such written notice. Declarant shall never be obligated to pay any individual assessment.

ARTICLE VII

ARCHITECTURAL CONTROL

Section 1. Architectural Control: ARB. All Lots and Dwellings in the Community are subject to architectural review. This review shall be in accordance with this Article and the Arrowhead Estates Planning, Construction and Development Criteria ("the Planning Criteria") adopted from time to time by the Architectural Review Board (the "ARB"). No site work, landscaping, utility extensions, drainage improvement, paving, parking area, swimming pool, pool enclosure, building, fence, wall or any other physical or structural improvement, or change or alteration to the exterior of any existing structures or improvements, or to any existing landscaping, shall be commenced, erected or maintained until the plans showing such details as the nature, size, workmanship, design, shape, finished grade elevation, height, materials and color of the same, together with a detailed landscape plan and a plot plan showing the location relative to boundaries and adjacent improvements of such proposed improvements or changes, shall have been approved in writing by the ARB as to consistency with Declarant's development plan and the Planning Criteria, harmony of exterior design and materials, location in relation to surrounding structures, and drainage features and topography.

It shall be the responsibility of each Owner at the time of construction of a Dwelling, building or structure, to comply with the construction plans for the Surface Water Management System pursuant to Chapter 40D-4, F.A.C., approved and on file with the District.

The ARB shall promulgate and revise from time to time the Planning Criteria. The Planning Criteria shall be written and made available to all builders in the Community and to all

Owners or prospective Owners. The Planning Criteria may include any matters considered appropriate by the ARB not inconsistent with the provisions of this Declaration.

So long as Declarant owns any Lots subject to this Declaration, Declarant shall be entitled to appoint all members of the ARB. Thereafter, the membership of the ARB shall be determined by the Board. The ARB shall consist of no less than three (3) members, none of whom shall be required to be Owners or occupants of the Community. Decisions of the ARB shall be by majority action. No member of the ARB shall be entitled to compensation for services performed, but the ARB may employ professional advisors and pay reasonable compensation to such advisors at Common Expense.

Section 2. Approval or Disapproval. Unless waived by the ARB, all plans shall be prepared by an architect or engineer, said person to be employed by and at the expense of the Owner. Determinations by the ARB shall be binding on each Owner. If in its opinion, for any reason, including purely aesthetic reasons, the ARB should determine that a proposed improvement, alteration, etc. is not consistent with the Planning Criteria or the Declarant's development plan, or in the best interest of the Community, such alteration or improvement shall not be made. Approval of the plans may be withheld not only because of noncompliance with any of the specific conditions, covenants and restrictions contained in this Declaration, but also by virtue of the dissatisfaction of the ARB with the location of the structure on the Lot, the elevation, color scheme, finish, design, proportions, architecture, drainage plan, shape, height, style and appropriateness of the proposed structures or altered structures, the materials used therein, the planting, landscaping, size, height or location of vegetation on the Lot, or because of its reasonable dissatisfaction with any other matter or thing which, in the judgment of the ARB, will render the proposed item of improvement inharmonious or out of keeping with the general development plan or the Planning Criteria. Two (2) sets of plans, specifications and plot plans shall be submitted to the ARB by the Owner prior to applying for a building permit. The Owner shall obtain a written receipt for the plans and specifications from the ARB. Plans and re-submittals thereof shall be approved or disapproved within thirty (30) days after receipt of such submittal or re-submittal by the ARB. Failure of the ARB to respond in writing to a submittal or re-submittal of plans within such period shall be deemed to be approval of the plans as submitted or resubmitted. The ARB approval or disapproval shall be written and shall be accompanied by one (1) copy of the plans, etc., to be returned to the Owner. Whenever the ARB disapproves plans, the ARB shall specify the reason or reasons for such disapproval.

Section 3. Violations; Waiver. The work must be performed strictly in accordance with the plans as approved. If after plans have been approved, the improvements are altered, erected, or maintained upon the Lot other than as approved, same shall be deemed to have been undertaken without ARB approval. After one (1) year from completion of any improvement, addition or alteration, said improvement shall, in favor of purchasers and encumbrances in good faith and for value, be deemed to comply with the provisions hereof unless a notice of such noncompliance executed by any member of the ARB shall appear in the Lake County public records, or legal proceedings shall have been instituted to enjoin the noncompliance or to enforce compliance with these provisions.

Section 4. Variances. The ARB may grant variances from compliance with any of the architectural provisions of this Declaration or the Planning Criteria, including without limitation restrictions upon height, size or placement of structures, or similar restrictions, when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental

considerations may reasonably require. Such variances must be written and must be signed by at least two (2) members of the ARB. If variances are so granted, no violation of this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration or the Planning Criteria for any purpose except as to the particular Lot and the particular provision covered by the variance, nor shall it affect the Owner's obligation to comply with all applicable governmental laws and regulations.

Section 5. Waiver of Liability. Neither Declarant, the ARB or the Association shall be liable to anyone submitting plans for approval or to any Owner or occupant of the Community by reason of or in connection with approval or disapproval of any plans, or for any defect in any plans submitted, revised or approved in accordance with the requirements of the ARB, or for any structural or other defect in any work done according to such plans. Approval of plans, or any other approvals, variances or consents, are given solely to protect the aesthetics of the Community in the judgment of the ARB and shall not be deemed a warranty, representation or covenant that any action taken in reliance thereon complies with applicable laws, codes, rules or regulations, nor shall ARB approval be deemed approval of any plan or design from the standpoint of structural safety or conformity with building or other codes. Every person who submits plans for approval agrees, by submission of such plans, and every Owner or occupant of any Lot agrees, by acquiring title thereto or an interest therein, that it will not bring any action, proceeding or suit to recover any such damages.

Section 6. Enforcement of Planning Criteria. Declarant and the Association shall have the standing and authority on behalf of the Association to enforce in courts of competent jurisdiction the Planning Criteria and the decisions of the ARB. Should Declarant or the Association be required to enforce the provisions hereof by legal action, the reasonable attorneys' fees and costs incurred, whether or not judicial proceedings are involved, including the attorneys' fees and costs incurred on appeal from judicial proceedings, shall be collectible from the violating Owner. Should any Owner fail to comply with the requirements hereof after thirty (30) days' written notice, Declarant and the Association shall have the right but not the obligation to enter upon the Owner's property, make such corrections or modifications as are necessary, or remove anything in violation of the provisions hereof or the Planning Criteria, and charge the cost thereof to the Owner as an individual assessment. Declarant and the Association, or their agents or employees, shall not be liable to the Owner or to any occupant or invitee of any Lot for any trespass or damages or injury to property or person for any action taken hereunder unless caused by gross negligence or intentional wrongdoing.

ARTICLE VIII

EXTERIOR MAINTENANCE

Section 1. Owner's Responsibility: Default. Each Owner shall keep and maintain the Dwelling and other building improvements and landscaping located on that Owner's Lot in good and presentable condition and repair consistent with the approved plans therefor, and shall otherwise keep such Lot and any Dwelling located thereon in neat and attractive condition. Each Owner will, at his expense, mow and otherwise keep and maintain those portions of the Surface Water Management System located on that Owner's Lot (whether or not included in a platted drainage easement) free of debris and other obstructions on a routine basis, but, when required,

major repairs to, and major maintenance and reconstruction of, components of the Surface Water Management System for the Community will be performed by the Association, at Common Expense.

No Owner shall remove native vegetation (including cattails) that become established within any wet detention ponds abutting that Owner's Lot except in accordance with all applicable governmental regulations. For the purposes hereof, removal includes dredging, application of herbicide, and cutting. Owners should address questions regarding authorized activities within any wet retention/detention area or pond to the District at its Orlando, Florida Permitting Department.

The Association shall have the right but not the obligation to provide exterior repair and maintenance on any Lot or Dwelling in the event of default by any Owner in the duties hereby imposed. Prior to performing repair or maintenance on any Lot or Dwelling, the Board shall determine that same is in need of repair or maintenance and is detracting from the overall appearance of the Community. Except in emergency situations, prior to commencement of any work, the Board must furnish written notice to the Owner to the effect that, unless specified repairs or maintenance are commenced within fifteen (15) days after the mailing of the notice, and thereafter diligently pursued to completion, the Association may procure said repairs. Upon the Owner's failure to commence timely and to diligently pursue the repairs or maintenance, the Association and its agents or employees shall have the right to enter in or upon the Lot and the exterior of any Dwelling to perform the repairs or maintenance specified in the notice. In this regard, the Association shall have the right to do such things as, but limited to, paint, repair, replace and care for pools, pool enclosures, roofs, gutters, down spouts and exterior building surfaces, clean or resurface paved access ways and parking areas, trim and care for trees, shrubs, grass, walks, swales, berms and other landscaping and drainage improvements, as well as to provide general cleanup, shoreline maintenance, and removal of debris which in the opinion of the Board detracts from the overall beauty and setting of the Community. Declarant, the Association, and their respective agents and employees, shall have no liability to the Owner or any occupant or guest for trespass, or damage or injury to property or person as the result of actions taken hereunder unless caused by gross negligence or intentional wrongdoing.

Section 2. Assessment of Cost. The cost of any work performed by or at the request of the Association pursuant to Section 1 shall be assessed as an individual assessment against the Owner of the Lot or Dwelling upon which such work is done.

Section 3. Access at Reasonable Hours. In order to perform the repairs or maintenance authorized by this Article, the agents or employees of the Association may enter upon any Lot and the exterior of any Dwelling during reasonable hours on any day except Sundays and holidays, except that in an emergency situation, as determined by the Board, entry may be made at any time.

Section 4. Association Maintenance Responsibility. The Association shall maintain and keep in good repair the Common Property and Areas of Common Responsibility and the landscaping and other improvements located thereon. Such duties include without limitation sign, fence and wall repairs, irrigation, fertilization, weeding, mowing, trimming, spraying and periodic replacement of damaged or diseased plantings. The drainage easements and drainage retention easements depicted on the plat(s) of the Community comprise parts of the Surface Water or Stormwater Management System for the Community as approved and permitted by the District

under permit No. 4-069-0221M issued June 13, 1995 and that certain Deed of Easement granted to the District by Declarant and recorded in Official Records Book 1393, Page 1789 of the Public Records of Lake County, Florida (collectively, the "District Permit"). It is the responsibility of the Association, at Common Expense, to operate, maintain (excluding routine mowing and removal of trash and debris which shall be the responsibility of the respective Lot Owners within their Lots), and repair the overall Surface Water and Stormwater Management System and to enforce, or to take such appropriate action as may be necessary to cure violations of, the routine maintenance and non-interference covenants of the Owners under this Declaration, and, when appropriate, to levy special assessments or individual assessments therefor. It shall be the further responsibility of the Association to operate, maintain and manage the Wetland Creation and Upland Buffer Areas, as specified in the District Permit, in a manner consistent with District requirements and all applicable District rules, and to assist in the enforcement of the restrictions and covenants contained herein. The Wetland Creation and Upland Buffer Areas, which are part of the Surface Water and Stormwater Management System, as described in the District Permit, are hereby dedicated as Common Property and, except as specified in the District Permit, shall be the perpetual responsibility of the Association and may in no way be altered from their natural state. Activities prohibited within the Wetland Creation and Upland Buffer Areas include those activities described in paragraph 3 of the Deed of Easement referred to above. The Association shall be required to monitor and exercise practices which shall provide drainage, water storage, conveyance, survival and growth of installed aquatic plant material or other surface water or storm water management requirements as permitted by the District.

The District shall also have the right to enforce the obligations of the Association described in this Section 4.

Section 5. Association Reservation of Easement. The Association shall have and Declarant hereby reserves for the benefit of the Association, a perpetual non-exclusive easement over all areas of the Surface Water or Stormwater Management System for access to fulfill its maintenance responsibilities, as described in Section 4 above. By this easement, the Association shall have the right to enter upon any portion of any Lot which is a part of the Surface Water or Stormwater Management System, at a reasonable time and in a reasonable manner, to perform such maintenance obligations as required by the District Permit. Additionally, the Association shall have a perpetual non-exclusive easement for drainage over the entire Surface Water and Stormwater Management System. No person shall alter the drainage flow of the Surface Water and Stormwater Management System, including buffer areas or swales, without the prior written approval of the District.

ARTICLE IX

RESTRICTIVE COVENANTS

The Community shall be subject to the following covenants and restrictions which shall be binding upon each and every Owner and his Lot:

Section 1. Wells. Except for a water well for use only for air conditioning, heating or irrigation purposes, no individual water supply system shall be permitted on any Lot without the approval of the ARB.

Section 2. Obnoxious or Offensive Activity. No activity or use shall be allowed in the Community which is a source of annoyance, embarrassment or discomfort to Owners or their tenants or invitees, or which interferes with the peaceful possession and proper use and enjoyment of the Community, nor shall any improper, unsightly, offensive or unlawful use be made of any Lot or Dwelling or of the Common Property, and all laws and regulations of applicable governmental bodies shall be observed. The use, enjoyment and occupancy of the Community shall be in such a manner so as not to cause or produce any of the following effects discernible outside any Dwelling: noise or sound that is objectionable because of its volume, duration, beat, frequency or shrillness; smoke; noxious, toxic or corrosive fumes or gases; obnoxious odors; dust, dirt or fly ash; unusual fire or explosive hazards; vibration; or interference with normal television, radio or other telecommunication reception by other Owners.

Section 3. Rules and Regulations. Reasonable rules and regulations may be promulgated by the Board, after notice and hearing, as to the use and enjoyment of the Community and shall be observed by the Owners and occupants thereof. Such rules and regulations may involve such matters as air conditioning units, signs, mailboxes, temporary structures, noisy mufflers or other nuisances, garbage and trash disposal, clotheslines, parking, vehicle traffic and the state of repair of vehicles, tree removal, gutters, pets, game and play structures, swimming pools, television antennae, driveways, walkways, sight distances at intersections, garages, and fences. These matters are set out by way of illustration only and shall not be construed to limit the authority of the Board to promulgate and enforce reasonable rules and regulations. Such rules and regulations may augment or clarify the terms of this Declaration or any provision, covenant or restriction herein contained. Anything in this Declaration to the contrary notwithstanding, no rules shall be adopted which tend to restrict the rental or lease of any Lot or Dwelling or which purport to establish any minimum period for occupancy.

Section 4. Animals. Birds, fish, dogs and cats may be kept as pets only, and shall not be held or offered for sale or maintained or bred for any commercial use. Birds, fish, dogs and cats which are kept as pets shall be sheltered inside structures; no animal shelter shall be permitted outside. All dogs and cats must be leashed when outside and shall not be permitted to run loose. No other animals, fowl, insects, reptiles or livestock shall be kept or maintained in the Community unless approved in advance by the Board. No animal, etc., shall be permitted to remain if it disturbs the tranquillity of the Community or the Owners or tenants thereof, or is dangerous, annoying, a nuisance or destructive of wildlife, as determined by the Board after notice and hearing.

Section 5. Garbage and Trash. No trash, garbage or other waste material or refuse shall be placed or stored on any part of the Community except in covered or sealed sanitary containers. All such sanitary containers must be stored within each Dwelling, buried underground, or placed within an enclosure or concealed by means of a screening wall approved by the ARB.

Section 6. Storage Receptacles. No fuel tanks or similar storage receptacles may be exposed to view, and same may be installed only within an approved accessory building, within a screened area, or buried underground, and shall otherwise comply with standards established from time to time by the ARB.

Section 7. Vehicles. No vehicle may be parked in the Community except on paved streets and paved driveways. No inoperative vehicles shall be allowed to remain in the Community in excess of forty-eight (48) hours unless kept in an enclosure and not visible from the street or any

other Lot. No commercial vehicles, except those present on business, shall be parked on any part of the Community. No trailers, boats, campers, trucks, mobile homes, motorized recreational vehicles or motorcycles may be parked in the Community unless parked inside a garage or on the side of (opposite any side street) or behind the Dwelling.

Section 8. Temporary Structures. No building or structure of a temporary or portable character such as trailers, tents or shacks shall be permitted in the Community, except as approved by the ARB, and except for temporary improvements used solely in connection with the construction of approved permanent improvements and removed immediately upon completion of such construction. Neither Declarant nor any builder designated by Declarant shall not be prohibited from erecting or maintaining such temporary dwellings, model homes and other structures as Declarant or the designated builder may desire for development and marketing purposes, provided such are in compliance with the appropriate governmental requirements or regulations.

Section 9. Signs. No signs, advertisements, billboards, solicitation or advertising structures or materials of any kind shall be displayed or placed upon any Lot without the prior written approval of the ARB; provided, however, street numbers and name signs on Lots and one sign containing not more than eight (8) square feet of surface area per side (2 sides maximum) and used solely in connection with the marketing of the affected Lot for sale or lease shall be permitted without prior approval. Declarant or the Association may enter upon any Lot and remove and destroy any sign which violates this section. This section shall not apply to Declarant or to any builder maintaining one or model homes in the Community.

Section 10. Air-Conditioning Equipment. No air conditioning equipment other than compressor units may be visible on the exterior of any Dwelling unless approved by the ARB, which approval may be based on the adequacy of screening of such equipment. The ARB may prohibit window or wall air conditioning units altogether.

Section 11. Drainage Structures. Unless first approved by the ARB and the District, no Owner other than the Declarant may obstruct, alter or in any way modify the method and/or structures of drainage utilized or installed by Declarant or the Association from, on or across any Lot, Common Property or Area of Common Responsibility; nor shall any structure or material be erected, placed or maintained which shall in any way obstruct such drainage devices or facilities or impede their efficient operation. No elevation changes shall be permitted on any Lot which materially adversely affect the drainage of or to any neighboring Lot or Common Property.

No Owner may construct or maintain any building, Dwelling, or structure, or undertake or perform any activity, in any wetlands, any buffer areas, or any upland conservation areas described in the approved permit issued by the District or in any recorded plat of the Community unless prior approval is received from the District pursuant to Chapter 40D-4, F.A.C.

Section 12. Aerials; etc. No exterior telecommunications, radio, microwave or television mast, tower, pole, wire, aerial, satellite receiving stations or dish, antenna or appurtenances thereto in excess of three (3) feet in diameter and below the top of the roof line, nor any other exterior electronic or electric equipment, structures or devices of any kind may be installed or maintained in the Community without the prior written approval of the ARB.

Section 13. Subdivision. No part of the Community shall be further subdivided without the prior written consent of Declarant for so long as Declarant owns any Lot, and thereafter by the Board.

Section 14. Completion of Construction. Upon commencement of construction of any improvements on any Lot, the Owner shall diligently prosecute the work to the end that the improvements shall be completed as expeditiously as is reasonable. The Owner of the Lot on which improvements are being built must keep the streets and areas adjacent to the Lot free from any dirt, mud, garbage, trash or other debris occasioned by the construction.

Section 15. Excavation. No clearing or excavation shall be made except incident to construction, maintenance or repair of an improvement; and upon completion thereof exposed openings shall be back-filled, and disturbed ground shall be leveled, graded and seeded in accordance with the approved landscape plan.

Section 16. Fences and Walls. There shall be no fence or wall permitted on any Lot unless it meets the requirements below and has been approved by the ARB as to size, material, color, location, etc. Landscape buffers may be required on the outside of any fences and walls by the ARB. All wood fences must be installed with the posts and supports on the inside. No fence or wall may be constructed in the following areas:

(1) Between the street along the front of the Dwelling (the "Front Street") and a straight line being the extensions of the surface of the furthest set back portion of the front side of the Dwelling to each of the two side lot lines; or

(2) Between the street facing a side of the Dwelling (the "Side Street") and a straight line being the extension of the surface of furthest set back portion of the side of the Dwelling to the rear lot line.

(3) Any easement area shown on any plat of the Community.

Notwithstanding anything herein to the contrary, so long as Declarant or builders designated by Declarant maintain any model homes within the Community, they shall have the right to fence all or any part of any Lots being used for models or parking for the term of such use.

Section 17. Clotheslines. Clotheslines are not permitted unless they are completely hidden from view from any street or Common Property. No clothing, bedding or other similar items shall be hung over or on any windows, doors, walls or fences if the same be visible from any street or Common Property.

Section 18. Play Structures and Yard Accessories. All yard accessories and play structures, including basketball hoops or backboards and any other fixed games, shall be located at the side or rear of the Dwelling, or to the rear of the Dwelling on corner Parcels.

Section 19. Trees. Trees measuring six inches (6") or more in diameter at three feet (3') or more above ground level shall not be cut or removed from the Community without the prior written consent of the ARB unless the trees are located within six feet (6') of the Dwelling or its

proposed location as approved by the ARB. More restrictive arbor ordinances or environmental laws shall control in the event of conflict herewith.

Section 20. Use. Lots shall be used for single family residential purposes only. No Dwelling or other building on any Lot shall be rented or leased separately from the rental or lease of the entire Lot and all improvements located thereon.

Section 21. Pools. Swimming pools may not be located in the front or side yard of any Lot, nor nearer than the Dwelling to any side street lot line.

Section 22. Dwellings and Garages.

(a) No Dwelling shall have a heated square footage area of less than one thousand two hundred (1,200) square feet, exclusive of screened area, open porches, terraces, patios and garages. In the case of two story or split level Dwellings, the ground floor must be no less than seven hundred fifty (750) heated square feet, exclusive of screened areas, open porches, terraces, patios and garages.

(b) No Dwelling shall exceed two (2) stories in height.

(c) No projections of any type shall be placed or permitted to remain above any roof of the Dwelling with the exception of one or more chimneys or vent stacks. No solar collectors shall be visible from any front street.

(e) All driveways shall be constructed of solid concrete or decorative pavers approved by the ARB.

(f) All oil tanks, soft water tanks, wood piles, water softeners, well pumps, sprinkler pumps, pool and spa equipment and heaters, and other or similar mechanical fixtures and equipment, shall be screened or located so as not to be visible from a street or other Lot. This provision shall not apply to central air conditioning compressor units.

Section 23. Tree Removal and Landscaping. There shall be no removal of trees or clearing of a Lot, other than clearing of underbrush, until such time as the ARB has approved in writing a general, conceptual landscape plan that designates those existing trees to be retained and preserved on the Lot. All Lots shall have fully sodded front and side lawns except in approved landscape or retained natural areas. Natural vegetation shall be finished by removal of underbrush and mulch.

Section 24. Refuse Collection. All trash, garbage or other refuse shall be placed for pickup not earlier than the evening preceding pickup, and any and all containers for such trash, garbage or refuse shall be returned no later than the evening of pickup to their normal, hidden location. Section 26. Ramps. No skateboard or bicycle ramp or similar structure shall be permanently installed or maintained overnight on any portion of any Lot located forward of the rear wall of the Dwelling.

Section 27. Declarant Proviso. Any of the restrictive covenants herein contained or any other provision of this Declaration to the contrary notwithstanding, until Declarant has completed all of the contemplated improvements and closed the sales of all of the Lots, neither the Owners nor the Association shall interfere with the completion of the contemplated improvements and the sale of the Lots. Declarant may make such lawful use of the unsold Lots, Common Property and Areas of Common Responsibility, without charge, as may facilitate such completion and sale, including, but not limited to, maintenance of sales and construction trailers and offices, the showing of the Lots and the display of signs and the use of Lots for vehicular parking.

ARTICLE X

ADDITIONAL COVENANTS AND RESTRICTIONS

No Owner may impose any additional covenants or restrictions on any part of the Community without the prior written approval of Declarant, for so long as Declarant owns any Lot, and thereafter without the prior written approval of the Board.

ARTICLE XI

AMENDMENT

The holders of at least two-thirds (2/3) of the votes in the Association (without regard to class) may change or amend any provision hereof either (1) by executing a written instrument in recordable form setting forth such amendment, or (2) by causing a certified copy of a duly adopted resolution of the Owners to be prepared, and having the same duly recorded in the Public Records of Lake County. A proposed amendment may be initiated by Declarant, the Association, or petition signed by ten percent (10%) of the Owners. If a proposed amendment is to be adopted by vote, a written copy of the proposed amendment shall be furnished to each Owner at least thirty (30) days but not more than ninety (90) days prior to the meeting to discuss the proposed amendment. If adopted by vote, the affirmative vote required for adoption shall be two-thirds (2/3) of the votes of the Members (without regard to class) cast in person or by proxy at a meeting duly called, and the recorded certificate shall contain a recitation that notice was given as above set forth and said recitation shall be conclusive as to all parties, and all parties of any nature whatsoever shall have full right to rely upon said recitation in such recorded certificate. The amendment shall be effective upon recordation of the executed amendment, or the certified copy of the duly adopted resolution, among the Public Records of Lake County. To the extent any amendment would have the effect of altering any provision relating to the Surface Water or Stormwater Management System, beyond maintenance in its original condition, including the

Water Management portions of the Common Property, such amendment must be approved in writing by the District.

ARTICLE XII

HUD/VA AND DISTRICT APPROVAL RIGHTS

Notwithstanding anything in this Declaration to the contrary, as long as there exists a Class "B" membership, the following actions will require the prior approval the United States Department of Housing and Urban Development ("HUD") and the Veteran Administration ("VA"): annexation of Additional Property, any merger or consolidation involving the Association, the placing of any mortgage lien on the Common Property, dedication to the public of any Common Property and any amendment of this Declaration. This Declaration may not be amended without the prior written consent of the District if such amendment would change any of the provisions of this Declaration governing or affecting the operation, maintenance or repair of the Surface Water Management System for the Community.

ARTICLE XIII

DURATION AND TERMINATION

This Declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by Declarant, the Association and any Owner, and their respective legal representatives, heirs, successors and assigns, for a term of thirty (30) years from the date this Declaration is recorded in the public records, after which time this Declaration and each Supplemental Declaration shall be automatically extended for successive periods of ten (10) years unless prior to the commencement of any 10-year extension period an instrument signed by the Owners of eighty percent (80%) of the Lots and agreeing to terminate this Declaration is recorded in the Public Records of Lake County. All provisions of this Declaration relating to Lots and Dwellings that have been sold for taxes or special assessment survive and are enforceable after the issuance of a tax deed or master's deed, or upon the foreclosure of an assessment, a certificate or lien, a tax deed, tax certificate, or tax lien, to the same extent that they would be enforceable against a voluntary grantee of title to the Lot and Dwelling immediately before the delivery of the tax deed or master's deed or immediately before the foreclosure.

ARTICLE XIV ENFORCEMENT

Section 1. Remedies. If any person or entity shall violate or attempt to violate the terms of this Declaration, it shall be lawful for Declarant, any Owner, or the Association (a) to prosecute proceedings for the recovery of damages against those so violating or attempting to violate the terms of this Declaration, (b) to maintain a proceeding in any court of competent jurisdiction against those so violating or attempting to violate the terms of this Declaration, for the purpose of preventing or enjoining all or any such violations or attempted violations, or (c) to maintain a proceeding for any other equitable or legal recourse or remedy available at law or in equity. In addition, whenever there shall have been built, or there shall exist on any Lot, any structure, building, thing or condition which is in violation of this Declaration, Declarant or the Association (but not any Owner) shall have the right, but not the obligation, to enter upon the Lot where such

violation exists and summarily to abate and remove the same, all at the expense of the Owner of such Lot, which expense shall constitute an individual assessment which shall be treated and shall be collected as set forth in Section 2 of Article IX, and such entry and abatement or removal shall not be deemed a trespass or make Declarant or Association liable in any way to anyone for any damages on account thereof. The remedies contained in this provision shall be construed as cumulative of all other remedies now or hereafter provided by law or elsewhere in this Declaration. The failure of Declarant, the Association, or an Owner to enforce any covenant or restriction or any obligation, right, power, privilege, authority or reservation herein contained, however long continued, shall not be deemed a waiver of the right to enforce the same thereafter as to the same breach or violation, or as to any other breach or violation thereof occurring prior or subsequent thereto.

Section 2. Severability. The invalidation of any provision or provisions of the covenants and restrictions set forth herein by judgment or court order shall not affect or modify any of the other provisions of said covenants and restrictions, which other provisions shall remain in full force and effect.

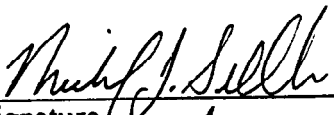

Section 3. Notices. All notices shall be written. Any notice sent to an Owner shall be deemed to have been properly sent when hand delivered or when mailed, postpaid, to the last known address of the person who appears as Owner on the records of the Association at the time of such mailing. Notices may be sent by like method to Declarant at the address set forth in the preamble to this Declaration, and to the office of the Association as registered from time by like method to the Association at time with the Office of the Secretary of State, State of Florida.

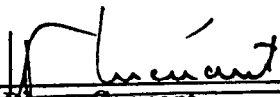

IN WITNESS WHEREOF, Declarant has executed this Declaration on the day and year first above written.
